

# ECO EMPLOYMENT PROGRAMS ENVIRONMENTAL JOBS GROWTH PROGRAM

## ABOUT THE PROGRAM

The Environmental Jobs Growth Program provides training and employment support to job seekers looking to enter or advance their careers in the clean economy.

**Eligible employers may receive 50% up to \$15,000 in funding towards a candidate's salary or \$18,750 when hiring a self-identified equity deserving candidate.**

---

## ELIGIBILITY

### Participant Requirements

- This program has no age restriction for applicants.
- Funding for this initiative caters to all environmental roles within traditional and emerging industries.
- This program is open to individuals who hold Canadian citizenship, Canadian permanent residency status, or Canadian refugee status.

### Employer Participant Requirements

- Employers must be Canadian-owned or a Canadian subsidiary, municipal government, provincial or territorial governments, or Indigenous organizations.
- Employers across all industries, whether traditional or emerging and those involved in the battery supply chain are eligible to receive funding
- The host employer must provide a new, full-time or part-time position.
- Funding will cover placements that are 6 to 12 months long.

## APPLY FOR FUNDING

Complete a brief online application and our Employment Program team will advise if your position is eligible for funding
