

ECO EMPLOYMENT PROGRAMS

CO-OP FUNDING

ABOUT THE PROGRAM

Working with institutions and employers across Canada to fund work for students as they transition from their field of study into meaningful employment in the environmental sector.

We provide 50% of a wage up to a maximum of \$5,000 to eligible employers who hire the brightest minds in Science, Technology, Engineering, Art, Math (STEAM) and Business.

ELIGIBILITY

2021 PLACEMENTS

- Placements must be a 180 hrs and 6 – 16 weeks in length
- Students will be able to work from home
- Federal funding, including the Canada Emergency Wage Subsidy (CEWS), cannot exceed 100% of the wages when combined with ECO Canada Student Work Placement (SWP) funding
- Municipalities, Territorial or Provincial Governments are not eligible under the Student Work Placement Program
- Post Secondary Institutions are not eligible

POST-SECONDARY INSTITUTIONS

Partner with us to provide students with work placement opportunities and increase graduate employment rates

HOST EMPLOYERS

Employers receive funding for hiring students and provide them with training and mentorship opportunities

STUDENT CANDIDATES

Students apply for environmentally focused placements to gain practical experience while obtaining their credentials experience and training

APPLY FOR FUNDING

Complete a brief online application and our Employment Program team will advise if your position is eligible for funding

ECO EMPLOYMENT PROGRAMS
