

ECO Canada is the steward for the Canadian environmental workforce across all industries.

TRAINING COURSE CERTIFICATION

Get the ECO Canada Seal of Approval

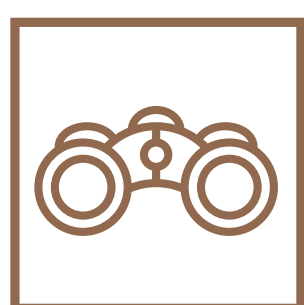

How It Works

1. IDENTIFY INTEREST
2. SELF ASSESSMENT
3. ONSITE TMS & INSTRUCTOR EVALUATION
4. CERTIFICATION REPORT AND DECISION
5. PROGRAM MAINTENANCE

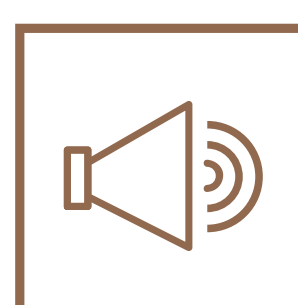

ECO Canada is now offering certification of training programs and courses through a division of our Accreditation Program. This program certifies both public and private training courses, seminars, workshops, certificate programs and more for academic institutions and private training providers across Canada.

Certifying your program and course will increase your reach and visibility while evaluating the status of your program through formal validation of your training curriculum.

Program Visibility

Certified courses are featured on ECO Canada's website and have access to additional sales opportunities.

Program Promotion

Complimentary marketing support (e.g. in our newsletter, on LinkedIn and other social media platforms).

Program Validation

Carrying ECO course Certification objectively recognizes and validates your course.

Program Recognition

Access to branded trademarks for course recognition, additional sales opportunities and more!

Add credibility while improving your course's profile and increasing enrollment. This program objectively validates the quality, learning outcomes, instructors, curriculum and training management systems.

Contact us at tcc@eco.ca for more information on how you can get your program certified.
