

ECO EMPLOYMENT PROGRAMS

SCIENCE AND TECHNOLOGY INTERNSHIP

ABOUT THE PROGRAM

ECO Canada, in partnership with Natural Resources Canada, provides wage funding for employers looking to onboard young professionals for full-time work placements and job training.

This program offers eligible employers salary coverage to create STEM-related jobs within natural resources sectors and/or with a positive environmental outcome.

ELIGIBILITY

Youth Participant Requirements

- Participants must be aged 30 and under and a Canadian citizen, permanent resident or hold refugee status in Canada
- Must have a post-secondary accomplishment (some exceptions apply)

Employer Participant Requirements

- Organizations must be Canadian owned or a Canadian subsidiary
- Must provide a full-time work placement and training opportunities in an environmental role

Apply for Funding

Complete a brief online application and our Employment Program team will advise if your position is eligible for funding

ELIGIBLE SECTORS

Natural resource sectors that qualify include: Energy Sector; Forest Sector; Mining, Minerals & Metals Sector; Earth Sciences & Support Sector

HOST EMPLOYERS

Employers receive funding for hiring youth and provide them with valuable training and mentorship opportunities

YOUTH CANDIDATES

Youth apply for environmentally focused placements to gain meaningful, practical job experience and training

ECO EMPLOYMENT PROGRAMS SCIENCE AND TECHNOLOGY INTERNSHIP

GET FUNDING IN 5 EASY STEPS

1. HAVE YOUR INFO READY

You'll need to have the job title, description & training plan (for employers) or a resume (for candidates)

2. APPLY ONLINE

Fill out our automated online application

3. GET APPROVED

Wait for approval from our Employment Programs team and confirm funding

4. RECRUITMENT

Once a candidate is selected, the team will match both applications (host and candidate)

5. RECEIVE FUNDING

Once all contracts are received, ECO Canada will begin funding placements
